Angie,
When will those clouds all
Angie,
Where will it lead us
With no lovin' in our souls
And no money in our coats
You can't say we're
Angie,
You can't say we never

Angie
disappear?
Angie
from here?

satisfied
Angie
tried

But Angie,
But ain't it time we said
Angie,
Remember all those nights
All the dreams were held so
Seemed to all go up in smoke
Let me whisper in your
Angie (murmure),
Where will it lead us

you're beautiful, yr
goodbye?
I still love you
we cried?
close

ear
Angie (murmure)
from here

instrumental piano

Oh, Angie, don't you weep
Oh, your kisses still taste
I hate that sadness in your
Angie,
Ain't it time we said

sweet
eyes
Angie
goodbye?

piano

With no lovin' in our soul
And no money in our coats
You can't say we're

satisfied

But Angie, I still love you,
Everywhere I look, I see your
There ain't a woman that
Come on, baby, dry your

baby
eyes
comes close to yo
eyes

But Angie,
Ain't it good to be
Angie,
They can't say we never

Angie
alive?
